

Allen W. Dulles

24 April 1952

Dear Mrs. Fremantle:

Your letter of 22 April 1952 has moved me to waive rules and regulations and I am sending you under separate cover some photostats of some of the Speer material which has been declassified.

I would appreciate it if you would kindly not advertise the fact that I have sent these along to you, not because of any question of security but merely because we cannot generally engage in the practice of sending these documents around the country.

In return for sending you these papers I hope you will let me have any conclusions that you may derive from them.

Faithfully yours,

✓
Mrs. Anne Fremantle
